Subject: New request for sampling
[Request for Sampling List.xlsx](#)

Greg,

Just a heads up, I just received a call from another landowner near Pavillion who wanted their well sampled. I've added them to the list attached to this email.

Since I haven't been too involved in this last round of sampling, and won't be very involved in (if they happen) future rounds of sampling, perhaps you or one of the ORD folks should maintain this list moving forward as you plan any future sampling events.

Thanks!
